CDC Board of Directors encourages congregations to plan a *Central District Conference Sunday* in 2014

## Learn to know your family!

*Central District Conference Board of Directors encourage CDC congregations and members to become better acquainted with the larger CDC family. To assist this learning, the board invites congregations to plan a "Central District Conference Sunday" in 2014.*

*Several resources are available to make this a memorable worship experience. This **focus** issue shares the purpose of this project and provides an outline of resources that will be available to help congregations make this special event a reality.*

*Earlier this month all CDC congregations received a 16-page e-mail offering ideas on how to plan this special Sunday. Here is an overview of that resource.*

**U**sing the theme: "We need each other," what if one Sunday existed to consider the ways we in CDC can encourage, support, challenge and respond to each other as we work in a common ministry?

### **Purpose of Central District Conference Sunday**

- Engage the story of Central District Conference, a story that has contributed to our identity as fellowshipping congregations
- Celebrate and give thanks for God's faithfulness to our family of congregations
- Increase awareness of and appreciation for the congregations – people, pastors, locations – that make up CDC
- Deepen a sense of connection to other congregations in one's own region
- Broaden our sense of identity as a Mennonite follower of Jesus beyond the local congregation

One of the core understandings of the church for us as Mennonites is that the church is a family. We commit ourselves to following Christ, and we commit ourselves to each other in the family of faith. We invite you to help your congregation live into its commitment to the larger family of faith and to begin that by getting better acquainted.
