What is a financial plan?

An Everence financial plan is a unique way to help individuals align their goals and life missions with their financial decisions, to increase confidence in their financial futures and to empower them to give their time, talent and resources to the people, causes and organizations they care about. An Everence financial plan will help pastors develop a tailored, detailed roadmap that covers seven specific planning branches of their financial life.

This grant will offer two options to choose between:

Pastoral Select Plan

- This plan will require a \$200 payment from the pastor.
- This plan will cover area related to Protection Planning, Investment Planning and Retirement Planning.
- Pastor may choose (with advisor discretion) up to one additional financial planning branch: Cash flow planning, Tax planning, Estate planning, or Charitable planning.

Pastoral Comprehensive Plan

- This plan requires a \$500 payment from the pastor.
- This plan is comprehensive and will cover all seven branches of financial planning.

In addition, you will have access to our powerful online software, Vine Vision 360, to help you organize and track your finances and progress.

Cost of financial plan

The total cost for a first-year financial plan is \$1,200/\$1,500. A subsidy funded by a Pastoral Financial Wellness Program grant will subsidize \$1,000, and pastors are responsible for only \$200/\$500 that congregations may help to pay.

How to apply

2. Submit a payment to the planner for \$200/\$500.
