

Annual Clergy Review Central District Conference

The Central District Conference Ministerial Committee is requesting that all CDC clergy complete and sign this form on an annual basis, so that we can review the ways CDC clergy remain connected to CDC and MCUSA as well as understand more about how CDC clergy participate in their ongoing faith and professional development. Also enclosed is a copy of the *Code of Ethics* which you previously signed. Please read through this again as a reminder of some of the commitments you have made in your ministry. By returning this form you acknowledge your continued commitment to this Code of Ethics.
