

Annual Clergy Review Central District Conference

The Mission of Central District Conference is to know Christ's abundant love in who we are and how we live, and to answer God's persistent call to share that love with one another and the world. One way we strive to do this is by Calling and Nurturing wise, dynamic and compassionate Anabaptist leadership. Our CDC Ministerial Committee is committed to walking with you as you lead, serve, and minister to and with those in your place of ministry. How are you experiencing ministry? How are you growing in wisdom, resiliency, and compassion as you lead and serve others? How is your spirit renewed daily, weekly, annually? Who is in your cloud of witnesses that encourages, supports, and mentors you? As you prepare to complete the form below, consider taking a retreat of whatever length feels right to you. Reflect on the past year and imagine the year ahead. You are also encouraged to read and reflect again on the *Code of Ethics* enclosed. You may also complete this form on-line at mcusacdc.org/resources/

7. Megan Warner in *Tragedies and Christian Congregations* (Routledge 2020) states that *individuals require at least six close relationships in order to flourish*. Who is part of your “cloud of witnesses” that you connect with regularly? Who helps keep you centered and grounded in God? Who can you go to when life/ministry is challenging and you need to talk? The Trinity is assumed!
