

An invitation to the congregations of Central District Conference

A call to greater faithfulness in our witness for peace

Goal: to encourage all CDC churches and members to take a small step in faithfulness to our call to be peacemakers and witnesses for peace by deliberately and clearly communicating our convictions with our government and government agencies such as the Internal Revenue Service.

Confession: We grieve the violence of war and conflict throughout the world. We acknowledge and confess the role our country has played and plays overtly and covertly in so much of that violence. As a nation, we readily respond in violence to perceived and real threats. We have settled into a state of perpetual war with which we are too readily at peace. Defense of perceived national interests, defense of national honor, and political pressure often lead our nation to shortsighted and reckless use of military power. In the process, people have been tortured, innocent civilians have been killed by drones, oppression of peoples by their repressive governments have been supported, and movements for greater justice and peace have been squelched. This all happens at a sanitary and safe distance from us, but in our name. We confess that we know this is not God's will. We also confess that we are too often silent in proclaiming God's will both by what we do and by what we don't do.

Whereas: We believe that God's will for the world is redemption and wholeness and peace, in essence, shalom, that justice is God's will for all relationships both personal and international, that resources are given for building and not destroying, and that we are called to give witness to these convictions through word and action,

Therefore, be it resolved:

That Central District Conference encourages all of its congregations and members to take deliberate steps in our context and time to witness to God's reign and God's will for peace this next year through taking one or more of the following or similar actions during "tax season":

1. Sending a congregational letter to the local newspaper
2. Creating a banner expressing our beliefs for public display
3. Hosting a community candle light vigil
4. Witnessing outside the post office while sharing a snack and an information sheet
5. Including with our IRS tax filing, a written testimony of our commitment to peace and withholding a symbolic portion of our taxes paid for war
6. Etc.
